MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Communications

1. This memorandum is for your information.

2. You requested my recommendation regarding the provision of secure communications from [REDACTED]

25X1

3. Secure, enciphered telegraphic communications can be established between [REDACTED]

25X1

One of our radio operator/cryptographers would be required [REDACTED] whenever communications are necessary.

25X1

25X1

4. Equipment to establish the secure telegraph capability is portable

6. I have issued instructions to assemble and package the equipment. When so packaged, it together with the radio operator can leave Washington on not more than twenty-four hours notice.

25X1

[REDACTED]
Director of Communications
